**Background/Supporting Information:**

On February 15, 2008, the City Council approved the Asphalt Pavement Resurfacing Program. The purpose of this program is to extend the life of some city streets which are not scheduled for any preventative maintenance, renovation or reconstruction in the foreseeable future. This resurfacing program is targeting neighborhoods and MSA streets that are at a point in their life cycle where a new surface will extend the street's life and improve ride quality and neighborhood livability, and help slow the overall deterioration of our City street system.

The purpose of this letter is to designate the location, streets and improvements, and establish the special assessment improvement proceedings for street resurfacing.

The location of the 38<sup>th</sup> St E street resurfacing project is from Chicago Av to 23<sup>rd</sup> Av St. This segment of 38<sup>th</sup> St E is MSA Route No 253. This part of 38<sup>th</sup> St E paved in 1963 with an overlay in 1988.

As provided in Chapter 10, Section 8 of the City Charter, submitted herewith are lists of parcels with owner's names, as nearly as can be readily ascertained, which would be benefited by and assessed for the 38<sup>th</sup> St E Street Resurfacing Project.

Also submitted is a cost estimate of \$497,840 for the 38<sup>th</sup> St E Resurfacing Project.

The street resurfacing special assessments would be determined by applying the 2012 Uniform Assessment Rates to the land area of benefited parcels located within the street influence zone along the improved streets. The approved 2012 resurfacing assessment rates are as follows:

\$0.56 /sq ft – Non-Residential  
\$0.20/sq ft – Residential

**2012 STREET RESURFACING PROGRAM**

**THIRTY-EIGHTH ST E STREET RESURFACING PROJECT  
SPECIAL IMPROVEMENT OF EXISTING STREET NO 5238**

**Designating the improvement of certain existing streets in the 2012 Street Resurfacing Program at the locations described hereinafter.**

Resolved by the City Council of the City of Minneapolis:

That the following existing streets within the City of Minneapolis are hereby designated to be improved, pursuant to the provisions of Chapter 10, Section 8 of the Minneapolis City Charter, by asphalt mill and overlay and including other street resurfacing related improvements as needed.

Thirty-eighth St E from Chicago Av to 23<sup>rd</sup> Av S

**T&PW** – Your committee, having received cost estimates of \$497,840 for street resurfacing improvements and a list of benefited properties for certain locations in the 38<sup>th</sup> St E (Chicago Av to 23<sup>rd</sup> Av S) Street Resurfacing Project, Special Improvement of Existing Street No. 5238, as designated by Resolution 2012R-\_\_\_\_\_ passed May 25, 2012, now recommends that the City Engineer be directed to prepare a proposed Street Resurfacing Special Improvement Assessment against the list of benefited properties by applying the 2012 Uniform Assessment Rates as per Resolution 2011R-571, passed November 4, 2011.

Your Committee further recommends that the City Clerk be directed to give notice of a public hearing to be held by the Transportation and Public Works Committee on June 19, 2012 in accordance with Chapter 10, Section 8 of the Minneapolis City Charter and Section 24.180 of the Minneapolis Code of Ordinances, to consider approving the resurfacing of the above designated street locations, and to consider the amount proposed to be assessed to each benefited property and the amount to be funded by the City.
